## OUR CONSTANT CRISIS

The Bitter Alibi isn't your average... Restaurant? Bar? It's hard to say what we are. We suffer from a constant identity crisis much like a high school kid in 2004 who listened to every Jimmy Eat World album but is now approaching 30 years old and selling insurance.

One thing is for sure: we strive to offer the highest quality of food, service, and atmosphere in one of the most unique spaces in Chattanooga. So come one, come all. Let your inner self out and relax.

If we can get you anything, let us know.
