ABOUT US

In 2014, a couple of mid-20s guys were hanging out at Hair of the Dog Pub in Downtown Chattanooga. It was a classic sitcom setup - talking about opening a bar while having beers with friends. Nine days and a few thousand dollars later, a lease was signed for the basement floor of an old house on Houston Street. There was a music venue around the corner and a fried chicken place about a half mile away. You could say it was a risk.

Fast forward a little over four years later - MLK Blvd is growing and seeing new development, and we've now taken over the entire building. Not just every floor, but every square inch. We've won awards, have over 20 team members, and have even been nominated for a Grammy!* So, welcome! Welcome to our weird two-maybe-three story building, have a beer, a cocktail, some yummy food, and enjoy yourself. Let us know if we can get you anything.
